Welcome to the Varne Supporters Club

The Varne Supporter Club was first formed in the early seventies to provide a facility for people that did not have a boat but just to enjoy the spectacular views of the bay across to France whilst enjoying a quiet drink, or even to access the beach from our car park.

The club offers to all of its members the opportunity to enjoy one of the cheapest and most sociable locations on the Romney Marsh. The clubhouse is also available for social functions, meetings and private hire and has recently been refurbished.

A game of pool, darts, and cribbage as well as quiz nights, coach trips, barbecues, come and try it days and party nights. Regular live music and entertainment.

Our bar is managed by Sue Lockyer who will extend a warm welcome to individuals wishing to join the club or seek more information

Dogs allowed, but must be kept on a lead in the bar area
