Welcome to the Varne Boat Club

We are a leading watersports club in the south east, located on the Kent coast at New Romney, just north of Dungeness.

We have a diverse range of members who take part in various watersports including fishing, personal watercraft, powerboat & waterski-ing, sailing, windsurfing, kayaking, SUP and landyachting.

The club has a fenced compound with 32 spaces and CCTV, as well as launch vehicles and wash-down facilities.

There is a well appointed club house that includes toilets and hot showers.

The Supporters Club Bar is open Monday, Tuesday and Friday evenings, and weekend afternoons and has a thriving social section with a well organised range of activities, open to all members.

There is ample free parking for members. It is the duty of all members to display the free car stickers provided every year.

For more information, feel free to visit the club or check out our web site.
